Dear CRBC Family & Friends,

The CRBC Team hopes and prays that this email finds you all safe and well at this time. Please see below; all the information and links you will need for this Sunday's Zoom, Holy Communion, Morning Service with Revd Andy West, preaching.

This week we have the wonderful opportunity of being together albeit in the digital realm. Another fantastic opportunity to come together again via our Zoom service. Please have your Communion bread and wine/juice at the ready.

Rev Andy West will be delivering the word live and we have other people who have lovingly offered their help to be part of the service, so please come along and join us from 10:15 am onwards.

We are looking forward to planning our return to the Church buildings. Please pray for those behind the scenes working towards: a road map back, risk assessment, cleaning, maintenance and the organisation of a safe return. This may be a slow process, painstaking process, however each step taken; provides a springboard towards a gathered Church, under one roof, serving the one God. However, in the meantime; every person is welcome to take part in the variety of activities on offer and those in the pipeline. See below for more information.

Reaching Out to One Another

Are you aware of someone who doesn't come to Zoom services; Walks with the Lord, Click & Connect Coffee or other Fellowship Meetings? All this virtual stuff isn't everyone's cup-of-tea or perhaps they haven't got the necessary technology? Covid has separated us, some of us are struggling more than others. Covid can be a lonely landscape to navigate.

We are looking to bring people together via contacting families via telephone. If you feel able or led to be involved; please contact Lizzy Levy, Dave Timms or Beverley Caton. We think that it is very important for people to hear a friendly voice.

Don't worry about "what to say", we can give you advice and support along the way. You never know we could all make new friends and catch-up or rekindle old friendships.

We are asking those who would be filling to call at least four families/individuals. Contact Lizzy on the mobile number below or Church email if you can help or know of Church family that are in need of a call, friendship, support or prayer. We are looking forward to you getting in touch.

Most of you will be familiar with Zoom by now but for others it may be something which you have not used and may feel a little apprehensive about the idea of worshipping this way. The aim of this short introduction is to help you get ready for Sunday and hopefully allay some fears.

Zoom is a free application (app) which you can download onto your smartphone, tablet, or computer. To install it simply go to www.zoom.us sign up and install. If you don't want to do

this you can phone into the service on the day from any phone (see below) or you can watch the service after the live event by going to the church website and clicking on the link will take you to the recording of the service.

Once you have downloaded the app you can have a play with it to get used to the controls. You can start your own meeting on your Zoom home panel by clicking on the orange 'New Meeting' button. By moving your cursor/finger over the panel which will open up you will be able to see the different controls. Make sure you check your sound is working OK, learn how to turn your video on and mute yourself. You can join a meeting without your video on, but others will only be able to hear you and not see you.

To join the service on the day from 10.15am onwards you can click on this link.

Andy West is inviting you to a scheduled Zoom meeting.

Join Zoom Meeting – **Contact Lizzy Levy on:** Cemetery Road Baptist Church, Lizzy Levy, admin@crbchurch.org.uk, telephone 0753 810 1647

You will then enter a waiting room where the host will have to give permission for you to join the service. This is just an added bit of security which helps to keep us all safe. If during the service there is the very unlikely event of there being an issue with your video or sound the host may put you back into the waiting room while you sort it out. Don't take this personally, it just makes for a more pleasant environment for us all.

Once the service starts it will help if you put your device on speaker view rather than gallery. We'll explain how you do this on the day. You will also be put on mute as again this makes it a better experience for everyone watching. The service will also be recorded but the recording will only show those who are speaking.

Please feel free to share the log in details with friends who you might like to invite **BUT PLEASE DO NOT POST ON ANY PUBLIC PLATFORMS WHICH ARE OPEN TO ANYONE.**

Photographs from: Last Sunday afternoon's "Walk with the Lord" at:
Norfolk Park. It's good to get together!

Dave "the walker" Timms will be leading another "walk with the Lord" on the 23rd May at 2pm leaving Endcliffe Park, look out for more information on the website, Facebook page, the WhatsApp CRB group page and email updates.

Where is your frontline?

Where can you reach out to people?

How can you reach out to people?

If you would like the answers to any of these questions then please contact Meghan for more information about the exciting LICC material “Frontline”. Something; the Wednesday night group are looking at and working through.

After all, this is the start of our mission field.
